

## SPEED OF PLAY

- Victoria Golf Course utilizes a Pace of Play program. Slow play detracts from players' enjoyment of the game. Play limits for 18 holes of golf should be four hours and 30 minutes or less.
- There are clocks on the front and the back at Victoria Golf Course. When you reach a clock, the time on the clock should be before or at your starting tee time. If it is later than your starting time, your group is playing too slowly and needs to speed up to maintain pace requirements.
- Play from the appropriate tees. Beginners and high handicappers should play from the forward tees.
- Each player should individually proceed directly to their ball and hit when safe to do so whether you are away or not.
- Play ready golf, limit searches for lost balls and minimize practice swings.
- Line up putts while others are putting. Continuous putting is recommended.

Practice your swing  
at Victoria Driving Range.  
Open 7 days a week.
